A Corrigendum on

Expert opinions on improving coercion data collection across Europe: a concept mapping study

By Lickiewicz J, Efkekmann SA, Husum TL, Lantta T, Pingani L and Whittington R (2024). *Front. Psychiatry* 15:1403094. doi: 10.3389/fpsy.2024.1403094

In the published article, there was an error in the **Acknowledgements** section. This section previously stated:

“We thank our participants for their participation in our study.”

The corrected sentence appears below:

“This article is based upon work from COST Action FOSTREN, CA19133, supported by COST (European Cooperation in Science and Technology, www.cost.eu). We thank our participants for their participation in our study.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
