To whom it my concern

I declare that **Dr. Alberto Amaretti** is one of the authors of the paper published on Journal Chromatography A, volume 1054 pages 165-173 (2004), titled "HPAEC-PAD and CZE with indirect UV detection as powerful tools to evaluate prebiotic properties of fructo-oligosaccharides and inulin", authors Corradini C., Bianchi F., Matteuzzi D., Amaretti A., Rossi M., Zanoni S., in which the name of Dr. Amaretti is incorrectly reported A.
