

Rome, April 16, 2019

Dear *Dr. VIANI*,

With reference to our previous correspondence, we are pleased to inform you that your abstract **“CLAYS WITH NO CARBONATES IN BRICK MANUFACTURING: LINK MICROSTRUCTURAL AND MINERALOGICAL EVOLUTION TO FIRING CONDITIONS” – ID 84** has been scheduled, during the *“XVI ECerS Conference”*, as follows:

- ✓ **Invited Lecture**
- ✓ **Date** : 19 June 2019
- ✓ **Session** : S 08 - Industrial ceramics 4
- ✓ **Session Slot** : from 16:00 to 18:00
- ✓ **Time at disposal for your presentation** : 30 minutes including discussion
- ✓ **Surname & Name for the Program** : **VIANI A**

You will be able to know the precise time of your presentation by visiting the [Official Website](#) where the final Conference Program will be uploaded as soon as it is completed.

As far as the final Program is concerned, please be so kind as to check if the above mentioned name is correct.

We also remind you that your registration is required. In case you are not yet registered, please use this link to [Registration](#).

Concerning the **Gala Dinner**, since it is sold out and we are still receiving requests, please be so kind to advise us if you will not attend it in order to leave your ticket to individual selling.

Thanking you in advance for your kind attention, please be so kind as to confirm you have safely received this confirmation letter at your earliest convenience.

Your sincerely,

The Organizing Secretariat

Elisabetta Del Prete
